

# Corvette 70th Anniversary Rallye

Hello everybody.

Here is something a little different that is an ideal way to celebrate Corvette's 70th Anniversary.

A one day road run/cruise, or Rallye, has been organised by a small team of people who have been key figures in the Corvette hobby for nearly 40 years.

The plan is for 70 Corvettes, representing all generations to participate in the event. Fifty one cars, with examples of all 8 generations are already confirmed, but there is still time to become part of this unique event.

The rally begins in Suresnes in the west of Paris, with a rendezvous for coffee and "Viennoiseries" overlooking Paris and La Défense. We then head west, to travel through Normandy and the Pays d'Ouche with a stop for lunch prepared by a local chef. After lunch we continue towards the Pays d'Auge with a visit to a farm, (for some wine tasting), before arriving at the elegant seaside town of Deauville. Here we will enjoy a glass of champagne by the beach and dinner in the casino at Deauville.

A full "roadbook" will be provided augmented by the route on Google Maps and private parking will be provided during the rallye and at Deauville.

In terms of prices\*, we have presented these in 2 parts, namely the price of a day for 1 person or a crew of 2, and the evening which will include the aperitif and dinner in Deauville, always for 1 or 2 people.
